Q7 What improvements would you like to see at Beloit Rifle Club?

Answered: 418 Skipped: 230

#	RESPONSES	DATE
1	Would like to see an overhead on the 500.	7/10/2018 10:01 PM
2	New club house	7/10/2018 6:24 PM
3	Still new, I think it is a really nice set up.	7/6/2018 10:25 AM
4	Being able to draw from a holster at the defensive range.	7/2/2018 11:48 AM
5	roofing (providing shade) and alarm system for 100-500 meter range.	6/29/2018 2:13 PM
6	Paved parking area	6/28/2018 10:58 PM
7	none--good to go	6/28/2018 10:31 PM
8	Need to spend more time to draw a good conclusion.	6/26/2018 12:19 PM
9	By "Qualified (Trained) individuals (members)" in the above question concerning a holster range I would assume you mean anyone holding any Concealed Carry Permit issued by any state? I would assume this would not require a board imposed qualification process to be pursued through the club.	6/25/2018 5:03 PM
10	A skeet shooting range	6/25/2018 5:00 PM
11	Get rid of the stupid "no holster" policy for members; keep it for guests if you like but it's asinine to have a "defensive" range THAT WE PAID FOR to practice with your CCW setup and not be able to use the holster.	6/25/2018 11:08 AM
12	I'm a new member, so I haven't had a chance to use the club much. So I don't have any ideas as of yet. The club seems to have everything I would ever need. Love it! Thanks!	6/25/2018 8:22 AM
13	Better regulation of people vandalizing club property.	6/25/2018 7:21 AM
14	A great facility that I wished I had time to use more!	6/25/2018 6:27 AM
15	None, I believe the current offerings are excellent	6/24/2018 10:25 PM
16	An automatic gate at entrance. Pleased with every part of the club, The automatic gate would be a benefit in wet or cold weather.	6/24/2018 10:06 PM
17	Have not had much time to spend till later this year so don't feel qualified to say	6/24/2018 6:46 PM
18	More kids starting at early age around 5 years old with respect of fire arms	6/24/2018 6:17 PM
19	None I can think of	6/24/2018 5:03 PM
20	none at this time	6/24/2018 1:14 PM
21	Great place	6/24/2018 8:01 AM
22	Indoor range - I occasionally see people bouncing rounds off the floor so I point out the "target and BEYOND" aspect of shooting safety. I don't have a solution unless there are materials that could be installed on the floor for this kind of situation. I love our club! If I have any other thoughts I will e-mail the appropriate people.	6/24/2018 7:27 AM
23	New 3D targets on archery walk through.	6/23/2018 8:56 PM
24	More up to date in door range. Handle all calibers	6/23/2018 7:38 PM
25	W	6/23/2018 7:08 PM
26	Automatic clay thrower that could be used by any individual that wish to practice trap.	6/23/2018 4:19 PM
27	Since I became a member, the improvements are impressive. the 3D archery range could use some additional work in connection with the shooting lanes, back stops, etc. I would also be interested in any updates with respect to the indoor range. Biggest complaint is that I do not have time to enjoy the facilities or take advantage of the volunteer opportunities. Maybe next decade.	6/23/2018 1:01 PM

28	New and improved indoor range to accept a wider range of calibers	6/23/2018 11:34 AM
29	I think that previous training, of members to train others should be better used to get the best train in for members. a training lesson should be developed so everyone trains the same. More trainers more trained people be training the same tactics multiple times. Not just when one trainer is available.	6/23/2018 10:52 AM
30	IDPA or USPSA	6/23/2018 10:44 AM
31	Better clubhouse. Skeet.	6/23/2018 10:36 AM
32	All else looks good.	6/23/2018 10:05 AM
33	Walk threw range (building) for home defense practice.	6/23/2018 9:51 AM
34	I would like to see the return of drawing from the holster. It was a valuable tool for becoming proficient in a defensive situation.	6/23/2018 9:30 AM
35	None it's in good shape	6/23/2018 9:23 AM
36	Area (room) set aside for cleaning firearms after shooting.	6/23/2018 9:02 AM
37	Better indoor range	6/23/2018 8:29 AM
38	Update and or new clubhouse, indoor range.	6/23/2018 8:25 AM
39	Great club, continue to maintain what we have and build on that in the future. Thanks for all your hard work !	6/23/2018 7:50 AM
40	The training in Precision Long Range, Defensive Pistol would be great. Another idea for a training class would be Tactical Defensive Training.	6/23/2018 7:32 AM
41	Sound deadening at General/Main Range: Ever since the "no blue skies" range reconstruction the noise level has been much louder. The concrete supports holding up the roof captures the sound. Possibly some exterior grade acoustic material could be applied. Defense Range: This is not a defensive range anymore. The door is gone. No barriers to shoot from. Can't draw and fire. This range is little more than a centerfire pistol plinking range now.	6/23/2018 6:32 AM
42	Improved/expanded plinking range	6/23/2018 5:37 AM
43	For preservation and colorful aesthetics, paint all cowboy, defensive wood structures.	6/23/2018 4:53 AM
44	Buy more land. Build new longer indoor range	6/22/2018 9:54 PM
45	More training available in all disciplines, it will be beneficiary for the member as well for the club.	6/22/2018 9:51 PM
46	Membership cap on number of memebers.	6/22/2018 9:42 PM
47	Improvements and / or expansion of defensive range. With concealed carry in IL and WI, this will be a growth area for the club.	6/22/2018 9:36 PM
48	Better indoor range. Bigger and able to use higher calibers	6/22/2018 9:08 PM
49	Skeet	6/22/2018 9:03 PM
50	new indoor range. area for 3 gun	6/22/2018 8:45 PM
51	Indoor range ...	6/22/2018 8:41 PM
52	NEW CLUB HOUSE	6/22/2018 8:04 PM
53	I would like to see another trap house put in	6/22/2018 7:47 PM
54	New bigger club house.	6/22/2018 7:41 PM
55	Rubber backstop indoor range	6/22/2018 7:28 PM
56	A large pavilion furnished with quality picnic tables for large groups !	6/22/2018 7:22 PM
57	N/A	6/22/2018 7:15 PM
58	I'm open to the idea of a new Club House. That said, I'd want ideas/input from all club members. Any new club house would need to be approached with very meticulous planning and be "done right". Aside from that, let's stop spending money like a bunch of drunken lords! Many recent improvements are very valuable~ no one disputes that. But just a few years ago my dues were 55 bucks, and they're way higher now...it's discouraging!	6/22/2018 7:12 PM

59	more defensive and Tactical defensive scenario training	6/22/2018 7:03 PM
60	Concrete walls separating the ranges.	6/22/2018 6:49 PM
61	Indoor pistol range, shotgun patterning area for use of large shot sizes and buckshot. Up to 60 yds or greater	6/22/2018 6:47 PM
62	I am a new member so I don't have at this time any ideas.	6/22/2018 6:44 PM
63	I think it is all in good shape and meets my needs	6/22/2018 6:42 PM
64	Pave the parking lot.	6/22/2018 6:34 PM
65	Limit membership	6/22/2018 6:24 PM
66	Training for accurate shooting	6/22/2018 6:19 PM
67	I am new don't know yet.	6/22/2018 6:13 PM
68	Doing hell of a job GREAT CLUB honored to be part of	6/22/2018 6:11 PM
69	I would like to see a plinking range for rimfire other than at 25 yards. The plate rack and dueling tree should be 30 feet and maybe 50 feet for the plate rack. The little station that was setup with the homemade plate racks and a covered/elevated sitting spot was perfect. That was between the Cowboy and Defensive Ranges. I was sad to see it go. I used it a lot and even mowed it to keep it usable. I saw a grandpa with his two grandkids using it and thought that was what it is all about (with rimfire that is).	6/22/2018 6:03 PM
70	We need bath room facilities and improve the club house	6/22/2018 6:00 PM
71	It's a good club	6/22/2018 5:59 PM
72	Extend the high power range to 200/300 yds? Extend the black powder cartridge range for 200-500 yds..?	6/22/2018 5:53 PM
73	New indoor range	6/22/2018 5:51 PM
74	Improvements to the indoor range to shoot any centerfire rifle or pistol	6/22/2018 5:49 PM
75	More courses for various training with online signup available in the evening and weekends	6/22/2018 5:42 PM
76	Training classes	6/22/2018 5:39 PM
77	Space for more pistol sports - USPSA, IDPA, Steel Challenge, Defensive Pistol with draw from holster an option.	6/22/2018 5:35 PM
78	Finish safety ranges, no blue sky. New club house. New indoor range.	6/22/2018 5:34 PM
79	Remove the cameras. Train and trust your members.	6/22/2018 5:34 PM
80	None that I know of at this time	6/22/2018 5:26 PM
81	Better archery targets(3D and regular)	6/22/2018 5:25 PM
82	I would like to see a one hour training program required for members who want to work the range during sight in days. This could be mandatory. There Should be specific rules on dos and don't for safety.	6/22/2018 5:19 PM
83	None, I'm happy with club membership and facilities	6/22/2018 5:18 PM
84	More opportunities for USPSA/IDPA type of pistol shooting and events.	6/22/2018 5:11 PM
85	Expand defensive range to include carbine at ranges out to 100yds.	6/22/2018 5:09 PM
86	Need much larger indoor meeting facilities Old roller rink building by Turner High School would be perfect	6/22/2018 5:03 PM

90	Keep up the great work	6/22/2018 4:53 PM
91	Larger handicap port a potti's locatcsted through out the ranges	6/22/2018 4:52 PM

92	Archery range needs targets out to a 100 yards.	6/22/2018 4:52 PM
93	Complex wide PA system. Keycard system for entry and exit.	6/22/2018 4:52 PM
94	The bench seating and 22 targets that used to be next to the self defense range put back into use. My grandchildren loved that because we could sit on the bench and reset the steel targets without getting up. Could you please set that back up again. I realize there is no room where it used to be because the wall is in it's place but couldn't it be set up in a different place (maybe to the left of the self defense range)?	6/22/2018 4:43 PM

103	Sound proofing main range for pedestrians in parking lot Paving Multi-gun range Electronic targets on 200-500 Indoor range that is capable for Action Pistol match	6/7/2018 5:33 PM
104	defensive range target improvement	6/7/2018 10:44 AM
105	Larger defense range	6/6/2018 8:34 PM
106	I think we have one of the best facilities in the state of wisconsin, but lose some senior members due to the inability to perform work hours. They needing help getting to the club as well as shooting. Life memberships would give them that opportunity to occasionally shoot while retaining membership in the club they built. One such member is Stuart Phettiplace. I believe he started with the club at it's very inspection, back in the club after returning from Korea in 1953 and remained a member until a few years ago. I have now retired and could help him enjoy shooting again but we have to pay a guest fee every time. He can't shoot very long and we have to leave but loves the getting out to be a part of what he and many othere built. They are to proud to ask for the life memberships, but certainly deserve it. Please review this as he is 87 now. Sincerely David Hebb	6/6/2018 7:12 AM

110	It would be nice to be able to use the self defense pistol range again! Shouldn't we be encouraging people that carry to train?	6/2/2018 10:56 PM
111	Additional kid training.	5/31/2018 9:45 PM
112	1,000 meter if possible.	5/29/2018 7:53 AM
113	I'd like to see the club sponsor more youth events and be able to work with scouting organizations for training.	5/28/2018 9:20 PM
114	Club House	5/28/2018 9:00 PM
115	I would be interested in learning more about 3-gun competition if the club offered it.	5/28/2018 8:19 PM
116	Better defense range. Trained Concealed Carry members should be allowed an area to practice drawing a loaded weapon from a holster.	5/28/2018 7:57 PM
117	none at this time	5/28/2018 3:14 PM

128	I am not sure, I think the prior cabinets have worked to make shooting more safe. If there are not enough options some people cannot be satisfied.	5/23/2018 8:12 PM
129	Roof over loading tables on black powder range.	5/23/2018 5:58 PM
130	Less dirt and gravel to drive through, and park on, especially after it rains.	5/23/2018 2:03 PM
131	It has been a pleasure seeing the club grow over the years. Hopefully we can continue to grow with more land and more disciplines! I would like to see us purchase the land to the east and north of us so we could add sporting clays, bays for the Multi-Gun guys, training for law enforcement and a larger separates indoor range to have multiple events happening at the same time. Training classes would also be a nice addition to the club since we have the space to give hands on experience.	5/23/2018 1:31 PM
132	With only three years as a member I feel that the club is a well maintained facility. I enjoy my time at the club.	5/23/2018 8:25 AM
133	new archery 3d targets	5/23/2018 7:56 AM
134	Upgrade clubhouse. Clean up in back range. Re: #6. Who's qualified to do it? Special insurance to handle accidents?	5/22/2018 10:55 PM
135	I really like the ranges and would like to take part in principles but my work does not allow me to get to the range till 7pm.	5/22/2018 9:38 PM
136	It is already a great facility.	5/22/2018 6:48 PM
137	Have not been a member long enough to give a qualified answer.	5/22/2018 7:45 AM
138	Upgrade indoor range for larger calibers, magnums, etc.	5/22/2018 7:21 AM
139	Specific "do's and dont'ts" posted at each range. .	5/21/2018 8:50 PM
140	This is the best range I have had the privilege using.	5/21/2018 8:24 PM
141	1k yard range would be great, IPSC pistol matches, dedicated semiauto rifle matches, bigger indoor range	5/21/2018 8:02 PM
142	New clubhouse	5/21/2018 4:45 PM
143	I'm too new to the club to make recommendations. I am totally pleased with what I have seen and experienced.	5/21/2018 4:35 PM
144	Paved main parking lot, 25 yard indoor range, more steel targets on rifle ranges	5/21/2018 4:08 PM
145	Why isn't our club associated with other shooting organizations like USPSA. As a life member of the NRA I fully support having NRA matches but we should also welcome in other competition organizations! What ever happened to the Multi-Gun range bay project? I heard the we're planning bays on the north west part of the property. Those would be perfect for USPSA matches also. We should host the local police departments at our club! I know they use Blackhawk tech for training but we could offer them more and it would be good PR for the club. Last note an indoor range like Pine Tree Pistol club south of Rockford but more state of the art would be nice! The board should check them out.	5/21/2018 11:10 AM
146	I don't have enough range time in to have a good idea on improvements.	5/21/2018 9:17 AM
147	from what I hear from guests that I have brought to shoot ,ours is the best they have seen. so my answer is none	5/21/2018 9:02 AM

148	see selections!	5/21/2018 8:53 AM
149	Moving the indoor range . So when you are walking outside by the trap range dont feel like ypur going to get shot or worry about a bullet going through	5/21/2018 8:40 AM
150	More daily trap shooting times.	5/21/2018 8:24 AM
151	new clubhouse (when we can aford it) maby in 10 years	5/21/2018 8:08 AM
152	Grass in back range as mirage is terrible on a sunny day!	5/21/2018 7:26 AM
153	Overall a very well maintained facility. Better lighting in the pistol range??	5/21/2018 7:22 AM
154	no comment	5/21/2018 5:16 AM
155	I like question 6 because the holster shooting is what is lacking. Especially coming from a security/leo background it is something that is hard to practice when its not allowed.	5/21/2018 12:34 AM
156	New indoor range. New clubhouse. A range to accommodate 3 gun.	5/20/2018 10:15 PM

161	a step type safety certification process that would allow the individual to certify at levels that would include some extra privileges and recognition and promote a safety consciousness throughout all the disciplines	5/20/2018 6:08 PM
162	Stay up with changing times. We don't live in the 1960's anymore.	5/20/2018 5:06 PM

166	I feel that for my situation the club has it all. Members are friendly and helpful.	5/20/2018 8:56 AM
167	1000 yard range. More longrange competitions.	5/20/2018 6:39 AM
168	mechanized indoor shooting range	5/19/2018 8:55 PM
169	New and more modern club house/indoor range.	5/19/2018 7:53 PM
170	more shooting bays built by the defensive range.	5/19/2018 7:24 PM
171	New club house	5/19/2018 6:16 PM
172	More user friendly	5/19/2018 5:17 PM
173	The defensive range needs attention. I was interested in using it and was so turned off by the condition, I left. The targets at the cowboy range need to be updated/replaced. The bounce back is bad in several areas.	5/19/2018 4:55 PM
174	A place showing who needs help and the dates!	5/19/2018 4:26 PM
175	Can't think of any, meets all my expectations!	5/19/2018 3:31 PM

178	I was a member in the past compared to now the Rifle Club is doing a great job I can't think of any improvements at this point great job continue the good work	5/19/2018 10:54 AM
179	improve the defensive range and I would like to see a 3-gun course.	5/19/2018 10:18 AM
180	A bulletin board at each discipline clearly stating the rules and regulations for that particular discipline.	5/19/2018 10:18 AM
181	I am satisfied with the club.	5/19/2018 8:43 AM
182	None	5/19/2018 8:37 AM
183	An large outdoor pavilion	5/19/2018 8:13 AM

184	black top parking lot	5/19/2018 7:52 AM
185	A close quarters indoor pistol lane for self defense close range shooting. Remote controlled clay pigeon thrower so that a person could practice without a 2nd person needed.	5/19/2018 7:46 AM
186	more stuff for kids	5/19/2018 7:42 AM
187	I would like to see a 400 meter range	5/19/2018 7:15 AM
188	Ability to let non members shoot the 500m range under direct supervision of a qualified member using a weapon verified to be correctly adjusted for the desired distance	5/19/2018 7:04 AM
189	Greater acceptance of Defensive shooting. Granting that safety/training is paramount not all shooting is for hunting. Firing 10-15 rounds in rapid succession with a pistol to improve target acquisition ability is a legitimate use of a range assuming safety/training is applied	5/19/2018 6:51 AM
190	Paved parking lot @ main range.	5/19/2018 5:40 AM
191	To be honest I am a new member and really haven't spent enough time out at the range to say at this point.	5/19/2018 4:44 AM
192	I would like to see the indoor range expanded / upgraded. more shooting options.	5/18/2018 11:07 PM
193	None at this time	5/18/2018 10:36 PM
194	The club definitely needs to have a location members can practice drawing from a holster.	5/18/2018 10:19 PM
195	Better lighting at the main range. Specifically something to help chronographs.	5/18/2018 10:07 PM
196	I would like to see a dedicated range constructed for the 3- gun shooters. I hate that the entire back range gets closed down, every time they have a shoot. I shoot mostly on weekends, on the back range(s).	5/18/2018 9:55 PM
197	More comfortable benches at main range.	5/18/2018 9:35 PM
198	A larger more modern indoor range with interactive targets. I recently visited the 2nd Amendment Gun Range and store in McHenry they just installed such a system in a portion of their range. It provide the shooter several different shooting scenarios to choose from projected on to a large paper target. Due cost I would expect the club should charge an additional usage fee for such a system. Something worth considering for the future to raise additional club funding and expand the interest of shooting and training as well.	5/18/2018 9:13 PM
199	New clubhouse/ indoor range	5/18/2018 9:11 PM
200	25 yard indoor pistol range & less politics.	5/18/2018 8:50 PM
201	glad to be a member like to see up dates for changing times. Changing of the guard is great. Like to see the club changing to new disciplines.	5/18/2018 8:11 PM
202	I can't think of anything.	5/18/2018 7:56 PM
203	a silhouette range, with 40, 60, 77, and 100 yd berms-- and a bench for us old farts who can't do offhand.	5/18/2018 7:49 PM
204	A better self defense range.	5/18/2018 7:34 PM
205	None	5/18/2018 7:15 PM
206	New and larger indoor range	5/18/2018 7:08 PM
207	good question ???	5/18/2018 7:01 PM
208	400 yard range	5/18/2018 6:44 PM
209	At this point I am less than a one year member. I am not familiar enough with things to give a good answer on this.	5/18/2018 6:38 PM
210	I'm a new member so far things are great for me	5/18/2018 6:28 PM
211	I just need to come more but that's my fault	5/18/2018 5:46 PM
212	A new indoor range and club house	5/18/2018 5:44 PM
213	Paved parking; clubhouse for the trap area; different mode of entry to the gate i.e. a card or code with an automatic gate	5/18/2018 5:42 PM
214	More from the holster pistol competition.	5/18/2018 5:22 PM

215	More TEAM WORK	5/18/2018 4:53 PM
216	Great Club. Great facilities	5/18/2018 4:48 PM
217	Continue to maintain buildings and ranges. Periodic replacemet of target boards. Renovate bathrooms	5/18/2018 4:43 PM
218	Keep making improvements to all the ranges when they need it.	5/18/2018 4:39 PM
219	Upgrades to the indoor range would be nice	5/18/2018 4:35 PM
220	Aquire new land to expand ranges & eliminate scheduling conflicts.	5/18/2018 3:32 PM
221	Indoor range upgrade	5/18/2018 3:27 PM
222	It's such a great facility already I'd feel like a whiner if I asked for more. But see my answer to number 6, above, since you asked specifically about a holster range (assuming it wouldn't create new limitations on the freedom of experienced cowboy shooters to practice on the cowboy range itself)	5/18/2018 3:20 PM
223	Not as much Improvement as an Enhancement to this most wonderful facility. Add an Pay and Shoot system to the trap house for those members that are trained and approved for said use. This way the trap house can be used for practice rounds outside of Monday Night formal shooting. Similar to EZ Pull - http://ezpullers.com/pay-play-2/ Thanks in advance for this consideration!	5/18/2018 3:05 PM
224	Another trap field and all new members qualified on 500m range.	5/18/2018 2:57 PM
225	Some training to educate our members of various disciplines to respect each other and quit arguing / blaming and making meetings unpleasant to attend. (Especially not good for new members to see.)	5/18/2018 2:57 PM
226	Would like to see more nights to shoot trap. And a skeet range	5/18/2018 2:51 PM
227	Maybe an updated indoor range	5/18/2018 2:44 PM
228	i think before anyone or group closes any of the ranges for any kind of work it should be posted ahead of time on the club web-site	5/18/2018 2:35 PM
229	Full 3-Gun?	5/18/2018 2:23 PM
230	Skeet range	5/18/2018 2:21 PM
231	Company picnic for team building?	5/18/2018 2:19 PM
232	Not sure if you have it but I would like training on the use of scope and long range shooting	5/18/2018 2:04 PM
233	I'm very happy with things.	5/18/2018 1:55 PM
234	Better lit indoor range. Outside pistol range 7 yards and up	5/18/2018 1:50 PM
235	Would like to see an area set aside for cleaning a firearm after shooting. Not the clubhouse. Members bring their own cleaning materials.	5/18/2018 1:24 PM
236	A better club house	5/18/2018 1:21 PM
237	25yd indoor pistol range 2 trap houses, move trap to the far west end.	5/18/2018 12:56 PM
238	The indoor range to be updated and able to handle more ammunition and more versital on closer shooting	5/18/2018 12:52 PM
239	#6 begs the questions who determines shooter qualifications and proof thereof, is a range officer monitoring every shooter one at a time, is proposed range outdoorshad idea! Shooting fee should be much more than a guest fee.	5/18/2018 12:41 PM
240	Better, more modern backstop on the indoor range to eliminate the constant issues with caliber etc	5/18/2018 12:23 PM
241	None at this time.	5/18/2018 12:15 PM
242	I would like to see us stop spending money on individual clubhouses for each specialty and use that money to improve the main clubhouse, also we shouldn't be investing the clubs money (this is a rifle club not an investment group), and finally I would like to see a cover put over the back 100-500m range similar to what's over the main range	5/18/2018 12:14 PM
243	It's great the way it is	5/18/2018 12:09 PM
244	None right now	5/18/2018 12:03 PM

245	Need more range officers	5/18/2018 11:52 AM
246	Regarding question #6 - it might be desirable to have a place to draw and shoot provided wild shots are prevented from leaving the immediate area. Liabilities come to mind too. If some one discharges accidentally and shoots them self or others, will the club be liable? - Likely, and at the best, the club would at least be named in lawsuits, requiring defense expenses. It seems the possibility of accidental discharges (higher than normal) would be a great reason to not do this. It could possibly close the club, which nobody wants. If someone wants to practice fast or CC draw, do it at home with snap caps, and save the club liability issues. Our club over the years has promoted safety as paramount, and shooting skill...while being safe. Live, fast draw practice would seem counter to everything the club has done thus far. That is why my opinion is "NO". - Dave Anderson	5/18/2018 11:49 AM
247	New member so I really can't make an accurate assessment yet.	5/18/2018 11:42 AM
248	Allow True Multi (3) Gun events and a place to train for.	5/18/2018 11:29 AM
249	Improvements to defensive range. With concealed carry in WI and IL now, this is a growing and very important part of the club, and a source for future growth.	5/18/2018 11:24 AM
250	The longest rifle range possible. I can accurately take my .300 Win Mag to 1,500 yards.	5/18/2018 11:21 AM
251	a permanent shelter near main clubhouse	5/18/2018 11:09 AM
252	Shorter work time offerings, of 4 hr or even 2 hr slots.	5/18/2018 11:06 AM
253	Have not been to club much these past few years, so I can't really make any comments right now.	5/18/2018 10:52 AM
254	Upgrade self defense range	5/18/2018 10:37 AM
255	Parking lot paved.	5/18/2018 10:29 AM
256	not sure at this time	5/18/2018 10:26 AM
257	More focus on safety and accuracy, less focus on bs like drawing and paramilitary crap	5/18/2018 10:19 AM
258	New and updated indoor range and clubhouse	5/18/2018 10:17 AM
259	1) More and better shooting benches on Black Powder Range. 2) Permanent cover over New Range points.	5/18/2018 10:12 AM
260	I'm fine with the facility as it is.	5/18/2018 10:11 AM
261	Being able to draw loaded weapon from holster and move to shoot. More multi Gun shoots, and a dedicated range for multi Gun practice.	5/18/2018 9:55 AM
262	Cant think of any improvements at the moment, but will when I'm done probably. Lol Thanks.	5/18/2018 9:53 AM
263	Some type of keyless entry gates. It's a pain to get out of your car to unlock/lock the gate especially when it's raining.	5/18/2018 9:52 AM
264	Better communication for the diciplines. New members really don't know how to get in touch with the leadership. Need a contact page on the website to directly communicate with them. For new people, names are meaningless, we need a way to know who goes with what.	5/18/2018 9:52 AM
265	Was very disappointed to see the animosity shown toward the 3 gun crowd and use of the range	5/18/2018 9:47 AM
266	Blacktop paving on the main parking lot.	5/18/2018 9:45 AM
267	O not know right now	5/18/2018 9:44 AM
268	Draw and fire from a holster must include passing a safety training course(s)! Thanks for asking	5/18/2018 9:40 AM
269	Better audio system in indoor range	5/18/2018 9:27 AM
270	Bigger clubhouse. Easier access to indoor range.	5/18/2018 9:27 AM
271	Indoor range--12 positions & 25 yds. New clubhouse. and a more nuanced survey! holster practice is not just Y/N... but safety has to be #1.	5/18/2018 9:26 AM
272	I like it the way it is.	5/18/2018 9:23 AM
273	Club house. Indoor pistol range	5/18/2018 9:22 AM
274	All is wonderful ... love the safety	5/18/2018 9:21 AM
275	.	5/18/2018 9:20 AM

276	Indoor range would use some updates at some point in the future, but overall I don't have any complaints.	5/18/2018 9:18 AM
277	Everything is fine	5/18/2018 9:14 AM
278	I think it's a wonderful place and well organized like the way it is	5/18/2018 9:06 AM
279	More training class availability(more than one opportunity to participate in training). Would like to see a indoor rifle range built.	5/18/2018 9:05 AM
280	I think Beloit Rifle club is one of the best in the state. Can't think of anything that it needs improvement on.	5/18/2018 9:05 AM
281	Make it easier to bring a guest.	5/18/2018 9:02 AM
282	N/A	5/18/2018 8:59 AM
283	None	5/18/2018 8:57 AM
284	Expansion to include more modern disciplines (USPSA, IDPA, 3-gun, etc) on a more regular basis, even competitions beyond what are currently offered.	5/18/2018 8:55 AM
285	More defensive training	5/18/2018 8:51 AM
286	New clubhouse. Skeet range Maybe an indoor range for air rifles only	5/18/2018 8:50 AM
287	Right now, I can think of no improvements. Maybe later, and then I can share them with club officers	5/18/2018 8:49 AM
288	If there are extra funds available I believe they could be used to upgrade the indoor range.	5/18/2018 8:43 AM
289	Blacktop parking lot, no.1	5/18/2018 8:42 AM
290	It's great the way it is now.	5/18/2018 8:38 AM
291	Paving the main range parking area	5/18/2018 8:37 AM
292	Able to use 200 yd range without red tape is qualifying for 500 yd range...I paid for it I should be able to use it	5/18/2018 8:36 AM
293	General/main range: Sound deadening. Possibly acoustic tiles? The noise and concussion from adjacent shooters increased dramatically with the installation of concrete walls to support the "no blue skies" overhead cover. Indoor range: Install what ever is necessary to remove the restriction on target location for the shooting positions. Currently targets, especially at the far left and right positions, are required to be placed at extreme distances. Those of us who want to shoot at closer distances to replicate where most shots would be fired by concealed carry holders can't train properly.	5/18/2018 8:34 AM
294	I'm not a fan of buy clothing on line. Like to see, touch & try on (at least before ordering). think there should be a mid year "new" membership (let them play full boat price, but only get use of half year...would increase money reserves and get in people who would otherwise just not join) (would need to allow signing two applications a year)...Dan Snow	5/18/2018 8:33 AM
295	- Single day safety courses - Shooting techniques courses	5/18/2018 8:32 AM
296	Great club. Keep up the good work. I would like to have movable frames on the general range. Pistol shooting starting at 5, 10, 15 meters. 25 yards is a little far for some pistol shooting. Thanks	5/18/2018 8:31 AM

297	There should not be a range for "trained" members because that would mean forcing members to go through some sort of training just to practice and draw from their holster. To conceal carry, one must have a license, and yes, there is a few hours of training required. However, constitutional carry is open carry and no license required. Forcing people to receive training to practice open carry is unconstitutional. If you believe that people are not capable to draw from their holster safely, then you must include yourself in that generalization. If you, as the board, think we are inept, then you are inept as well. To be a member at this club, you are sponsored by someone who believes you handle firearms safely and will bring people who are safe. The stipulations for this club are strict enough. To prohibit people from practicing drawing from a holster, unless trained, is endangering that person's right to defend themselves if they have no other place to practice. Be the range that people need. Fear mongering is being used by multiple board members and general members to prohibit a defensive range from being built because of the possibility of a lawsuit. This is a basic tactic used in law only to sway a group of people to one's opinion. Stop giving in to these people and the unrealistic fears they are creating. They are not speaking for the good of the whole people, they are only speaking for their exclusive, self-serving ideals. Stand up for what is right and constitutional. Be the range people need.	5/18/2018 8:26 AM
298	Definitely a range that allows a member to train drawing and firing to enable a member with a conceal carry permit to hone his/her skills.	5/18/2018 8:21 AM
299	A pavilion complete with picnic tables to accommodate large groups for various events in lieu of having to set up and take down that blasted tent , haul tables and chairs !	5/18/2018 8:20 AM
300	Training! I am having difficulty with pistol accuracy! Thank u!	5/18/2018 8:17 AM
301	Expansion of the back area for multi-gun usps steel challenge to name a few to generate monies and membership for the future of the club	5/18/2018 8:14 AM
302	I know a new clubhouse is being considered. Please check out Daniel Boone Conservation League's setup: multifunction and long lasting. https://www.shooting.org/Ranges/Wisconsin/Hubertus/Daniel_Boone_Conservation_League I've been there and it's a beautiful part of the community. Replace gravel at general range with pavers or other medium that will allow complete cleanup of spent brass and debris!	5/18/2018 8:12 AM
303	Maintenance on defense range. New target stands on 100 yd. back range	5/18/2018 8:10 AM
304	Reinstall the rim fire pop ups that used to be next to the self defense range. It had a bench where you could sit and shoot and you could reset the targets from the bench. My grandchildren loved to shoot there.	5/18/2018 8:09 AM
305	More members helping through out the year.	5/18/2018 8:07 AM
306	None I can think of right now. I feel the club is properly focused what with the many disciplines we currently provide.	5/18/2018 8:05 AM
307	3 gun competition	5/18/2018 8:02 AM
308	Paved parking on front range club house area for easier access in winter..Just a thought	5/18/2018 8:01 AM
309	Continue to consistently improve and maintain all facilities to ensure a safe environment for members and disciplines. BRC should also continue to purchase adjacent properties as them come available to protect the club, reduce risk to surrounding neighbors & ensure we can accommodate further growth.	5/18/2018 8:00 AM
310	An indoor pistol range backstop that can handle all loads.	5/18/2018 7:59 AM
311	Larger indoor range	5/18/2018 7:57 AM
312	New archery targets and longer distance than 500m	5/18/2018 7:54 AM
313	Pave area from entrance to Black Powder/Pistol Range. Replace club house with a more inviting one having more space too.	5/18/2018 7:49 AM
314	indoor range updated so you can even shoot high power rifle in it. wind flags for long range shooting target cameras for long range shooting area to practice 3gun	5/18/2018 7:47 AM
315	Drawing loaded from holsters is a bad idea. As a combat infantry man with two tours served. I witnessed a lot of highly trained individuals make some very dangerous mistakes. We don't need those types of mistakes happening at the range,In my opinion there is enough close calls as it is already. If you want to train like that do it on private property.	5/18/2018 7:46 AM

316	Drawing from a holster should be a range certification similar to Hale other ranges. Only IDPA, Cowboy, Defensive and Steel Challenge ranges should allow draw from holster.	5/18/2018 7:45 AM
317	I love the club	5/18/2018 7:45 AM
318	Larger indoor pistol range New club house	5/18/2018 7:39 AM
319	Less politics	5/18/2018 7:31 AM
320	Maybe the range would consider being a charter organization for a Scout Troop or Venturing Crew. This will not only bring more exposure to the club, increased membership, increased marksmanship, but also new membership of a younger generation of law abiding gun enthusiast with the core values of scouting. With the inclusion of older girls in Feb 2019, BRC would be one of the few clubs to partner with the Boy Scouts of America but also Be one of the first partnering organizations to have female scouts. Increasing growth for already existing youth participation in already existing disciplines. Thad Regenold	5/18/2018 7:23 AM
321	Range supporting 3 gun related practice, offhand rifle	5/18/2018 7:18 AM
322	all fine for me--thanks	5/18/2018 7:17 AM
323	Maybe improve the parking lot for better wet weather parking, otherwise I think everything is fine. Nice place.	5/18/2018 7:16 AM
324	Not much to improve on... The range is outstanding! I would like to see more options for 3 gun. Practice and competition.	5/18/2018 7:16 AM
325	Less fighting and arguing with between the older range officers they have grudges against each other and shouldn't be in their positions they are.	5/18/2018 7:14 AM
326	Multi gun range	5/18/2018 7:11 AM
327	I would love to see more steel plates (other than the plates at the back stops) in the back range set up for ar's & ak's. Maybe some kind of moving targets in the defense range.	5/18/2018 7:11 AM
328	Ideally - new, longer indoor range (think Kap guns). Convert existing indoor range to meeting hall, training center, or other purpose. Alternately - indoor range improvements. Specifically lighting. Replace existing overheads with brighter LED lights. Fairly inexpensive, but significant improvement.	5/18/2018 7:11 AM
329	As a former ipsc shooter it is nice to have place to practice. Right after I let my pineteee membership drop we disallowed practicing of this type It is an important skill that is perishable As I get busier I don't shoot as often and Choi lose beloit over pineteee to continue but really would like to be able to stay fresh on drawing and movement. Thanks for all your hard work. It is appreciated	5/18/2018 7:10 AM
330	Less of the old regime flexing their "all knowing" thoughts onto other members. I am heavily considering dropping my membership due to "grumpy old men" who feel the need to share their thoughts on anything and everything. It makes you he club a very uncomfortable place to be so I have refrained more over past years.	5/18/2018 7:09 AM
331	Pave the main clubhouse parking area	5/18/2018 7:09 AM
332	I would like to see a range made for 3 gun.	5/18/2018 7:09 AM
333	Enlarge the defensive pistol range	5/18/2018 7:05 AM
334	N/A	5/18/2018 7:04 AM
335	am very happy with how the club is now	5/18/2018 7:02 AM
336	Defense/Carbine range with steel like Winnequah range in Lodi.	5/18/2018 7:00 AM
337	Buy more land, build new indoor range	5/18/2018 6:58 AM
338	Larger clubhouse/facilities	5/18/2018 6:56 AM
339	I would like to be able to use the defense range for self defense training. It is a waste of space with the current restrictions in place.	5/18/2018 6:55 AM
340	Would be nice to see the little .22 plinking range that was next to the self defense area put back in use.	5/18/2018 6:54 AM
341	good, solid safety culture without the nitpicking twits	5/18/2018 6:54 AM

342	Better air handling in indoor range. It would also be nice to redo indoor range for 75 feet and increase to 12 lanes and replace the backstop. A modern target retrieval system is NOT needed. A manual cable and crank retrieval system like we currently have is very adequate and more cost effective. I have shot at several modern ranges with sophisticated target retrieval systems and almost none of the users know how to fully operate them. All that individual users do is to move the target down range x number of feet and then retrieve it.	5/18/2018 6:52 AM
343	More modern type action 3 Gun , Steel Challenge, IDPA etc.	5/18/2018 6:51 AM
344	Great club, no signif changes needed.	5/18/2018 6:46 AM
345	Alternative design, additional general range is needed. The heavy, "bunker" style current range, can be confining and the massive concrete walls and ceiling amplifies a weapon's report. Also, during the summer, bench shooters take up all the 100 yard spaces. I often have to leave and go elsewhere to practice.	5/18/2018 6:45 AM
346	Draw from holster and being able to move with loaded weapons! Tired of being treated like a child! Trust keeps membership and if we don't trust our members then why are they being allowed to join our club in the first place?!	5/18/2018 6:44 AM
347	i don't know what the politics are but the clubs stance against drawing from a holster is stupid. frankly drawing from a holster should be allowed on all ranges given that we have concealed carry. (yes safely and appropriately done...). ive been a member almost 25 yrsthe club banned silhouette targets....why????? I think some of you would still like to ban black guns or anything over 5 rd mags. you need to invest in the future and put in 50 yyd indoor rifle and pistol range that can handle all common pistol calibers a moving pistol target range would be nice.	5/18/2018 6:40 AM
348	More "family" orientated events	5/18/2018 6:38 AM
349	looks good	5/18/2018 6:37 AM
350	Skeet range	5/18/2018 6:35 AM
351	I really don't know there don't really seem to me much to improve	5/18/2018 6:33 AM
352	Results of this survey implemented.	5/18/2018 6:31 AM
353	First I really like the idea of the long range, I just don't have the equipment so I have never gotten qualified. I am interested in defensive shooting and anything that would provide more space for that I would be in favor of.	5/18/2018 6:29 AM
354	We need a family friendly clubhouse	5/18/2018 6:29 AM
355	Have USPSA or IDPA sanctioned matches/shoots.	5/18/2018 6:29 AM
356	None. Its a great club with great members.	5/18/2018 6:24 AM
357	.	5/18/2018 6:24 AM
358	A more modern indoor range. I typically choose to utilize the indoor range at kap guns over our own. Specifically, the ability to set the target closer and further away and markers to indicate distance. I would also like to be able to use magnum calibers.	5/18/2018 6:23 AM
359	Get rid of yellow lines in in indoor pistol range. Install moving target, defense range. Sound proof front range. Add sound proofing to front range. In:	5/18/2018 6:23 AM
360	Update indoor range	5/18/2018 6:23 AM
361	Double the size of bathrooms	5/18/2018 6:22 AM
362	The only improvement would be me getting out there more. Thank you.	5/18/2018 6:19 AM
363	Better Defensive Range and new indoor and clubhouse.	5/18/2018 6:18 AM
364	I would like to be able to draw from my ccw holster.	5/18/2018 6:17 AM
365	I would like to see a membership cap.	5/18/2018 6:13 AM
366	Black-top the parking lot.....and/or install Automated target holders in the indoor range.	5/18/2018 6:12 AM
367	Lower club dues	5/18/2018 6:12 AM
368	Fully paved drives and parking lots	5/18/2018 6:11 AM
369	An improved indoor range. One without the distance limitations.	5/18/2018 6:10 AM

370	seminars to members is a good idea	5/18/2018 6:10 AM
371	good quality targets for archery range that I could pull my arrows out of.	5/18/2018 6:09 AM
372	Possibly a new indoor range and clubhouse.	5/18/2018 6:07 AM
373	New club house and indoor range.	5/18/2018 6:06 AM
374	none at this time	5/18/2018 6:06 AM
375	None come to mind	5/18/2018 6:06 AM
376	Indoor Range ,	5/18/2018 6:03 AM
377	Ability to use larger calibers on indoor range, 10mm, 44 mag ect.ect	5/18/2018 6:02 AM
378	Improvements to the indoor and tactical ranges so you can shoot any center fire pistol magnum or non magnum. No steel tips, but any fmj etc.	5/18/2018 6:00 AM
379	None	5/18/2018 6:00 AM
380	Expansion of the defense range. It is far to small.	5/18/2018 5:47 AM
381	Longer indoor range	5/17/2018 10:30 PM
382	Not an improvement but would like an evening Bullseye Shooting group rimfire &/or centerfire	5/17/2018 9:22 PM
383	Club house , paved parking by club house	5/17/2018 9:07 PM
384	Bigger clubhouse	5/17/2018 8:28 PM
385	drives graded trees along main range fence for noise cement walk in front of defense range	5/17/2018 8:02 PM
386	Action pistol type range and matches USPSA or IDPA matches	5/17/2018 7:23 PM
387	Holster work!!!	5/17/2018 7:21 PM
388	Outdoor bays for uspsa,idpa,steal challenge and 3gun	5/17/2018 7:09 PM
389	A bigger clubhouse	5/17/2018 6:50 PM
390	25 yd indoor range, skeet range	5/17/2018 6:27 PM
391	No one over 60 able to vote.	5/17/2018 6:24 PM
392	Expansion of Defensive range.	5/17/2018 6:01 PM
393	New indoor range. then new clubhouse	5/17/2018 5:46 PM
394	A bigger dedicated rim fire plinking area. Also, a centerfire plinking range added back by the defensive range. Some from the club complain that people try to shoot soda cans, bowling pins, gourds at the defensive range. How about a plinking range that allows it?	5/17/2018 5:39 PM
395	More security and safety monitoring	5/17/2018 5:17 PM
396	Be allowed to draw from holsters on back range. Also be able to practice 3-gun shotgun drills/courses.	5/17/2018 5:02 PM
397	Some remodeling at the clubhouse would be nice. Would a bar/banquet space be a nice addition?	5/17/2018 4:58 PM
398	New member I do not know enough yet to make suggestions.	5/17/2018 4:36 PM
399	I like that the new president has more of a presence on social media. We need to attract a younger crowd if we want to continue to grow shooting sports and our club. We also need to keep up on trends in shooting sports. Recently 3 gun shooting as become exponentially more popular and we have introduced the sport but need to revisit rules that may impede such sports from truly thriving.	5/17/2018 3:59 PM
400	Bigger club building, meeting room/office area upstairs and range below with more indoor range lanes. Paved driveways & parking lots so you don't have to slosh through the puddles and mess in the rain/snow/etc. Fencing securing the entire property. (Right now the eastern side of the property seems to be lacking in any fencing by common lot line between BRC and the cement company neighbors to keep people from walking on property.)	5/17/2018 3:51 PM
401	Expanded defense range. And more friendly leadership. People tend to be a little too uptight around the club, like they feel they need to prove something.	5/17/2018 3:34 PM

402	Larger defense range made for members and possibly their spouse/children in order to be able to train with their pistols from holsters for self defense situations you would encounter in your home. No holster = inadequate training. My gun doesn't only sit on a bench. Also, a larger multi-range indoor range with updated target systems to allow for groups to occupy the range and still allow for others to shoot indoors especially during winter months. Dedicated action pistol range would be a nice addition to the club as that is a new growing shooting sport for the future.	5/17/2018 3:30 PM
403	NA	5/17/2018 3:02 PM
404	I would like to see unbiased representation from the individual board members. If a person is not involved with a specific discipline they shouldn't have a say in that discipline or anything that affects it. JMO	5/17/2018 3:01 PM
405	Be more open to new disciplines other than the ones that have been there a long time and are looking interest.	5/17/2018 2:52 PM
406	I joined the club vs coming as a guest in order to shoot the 500M range and quickly got qualified at that. I would like to see the long distance range continue to improve with positions where you could shoot from other than just the bench. And if it is at all possible, extend the distance even greater (maybe even by special event).	5/17/2018 2:37 PM
407	Paved lot, more efficient storage or dedicated set up for Multi Gun (like cowboy)	5/17/2018 2:35 PM
408	We need a larger indoor range built to National match specs. In the winter there are so many nights that are reserved for wonderful disciplines which limits regular member usage. Something capable of handling rifle rounds would also be appreciated!	5/17/2018 2:27 PM
409	Action shooting bays, new indoor range	5/17/2018 2:18 PM
410	Larger and separated indoor ranges. When indoor events are planned it would be nice to have another option for indoor. Shooting bays for action pistol or Multi-Gun practice. Could be area that needs qualification to access.	5/17/2018 2:11 PM
411	New Clubhouse and Bigger indoor range,	5/17/2018 2:01 PM
412	New indoor range with longer lanes shooting bench constructed on plinking range and an audible alarm on 100-500 meter range when people are setting targets	5/17/2018 1:57 PM
413	Basic improvements to parking, clubhouse and possibly a dedicated multi gun range	5/17/2018 1:53 PM
414	Would like to see Defense Range improved and Multi Gun area created for practices.	5/15/2018 11:29 AM
415	1. New Indoor Range 2. New Clubhouse 3. Blacktopped driving/parking areas	5/14/2018 11:34 PM
416	I'd like to see the directors actually represent the club and it's members and not their own personal beliefs or agenda.	5/14/2018 7:30 PM
417	A new indoor shooting facility	5/14/2018 5:35 PM
418	New state of the art in door range and a defense range east of cowboy	5/14/2018 2:41 PM
