## From the Club President Happy New Year!

I hope everyone has had a wonderful holiday season! Hard to believe how fast this past year has gone by. It is certainly true when they say the older you get the faster it goes. When I wrote to you for the 1st time last year, I told you of my goals for the club and the upcoming year. I'm happy to say that they have been accomplished and are moving along. The long range planning committee has been established and has made some goals for the future. Tom Helbig and Robby Personette have added more training classes, especially after finding out what membership wanted with the survey. So be sure to watch out for more of them 2019. Last but not least, the Holster Policy has been approved by the board and will begin implementation by this spring. Please be on the look out for information regarding that from Tim Kienbaum and his team.

The executive board and I have been talking about what we need to accomplish this coming year. It is pretty much status quo but with one project that has been in the talks for several years, just never fully executed. The club needs Standard Operating Procedure (SOP) signs placed on each range. To standardize it across the board. The SOP states the rules of that particular range that go beyond the general range rules. It sounds simple but there is a lot that goes into it.

On another note! We have a new range! A bay has been built out back on the east end of Cowboy. Be on the look out for details on that. I want to send out a huge thank you to Wally and Roger who have worked a lot of hours in preparation of the machine, details in bay design and finally moving the dirt. It looks awesome and will be a great asset to the club. While we have the dozer Roger is building up the back stop on the outdoor pistol range and he did a few other smaller jobs to help the club in the long run.

It is amazing how club members come together to make this club run. There are so many people that put in way more than 8 hours of volunteer time- like Roger and Wally as a small example. We couldn't do it without the amazing board that we have. But it goes beyond that. To every member that comes out and does your part, brings your special skill to work- welding, electrical, fabricating, wood working, plumbing – Thank you. To every member who takes a leadership role in organizing events like

the NRA Youth Shoot and all those who show up to just help at a specific job- detailed or not it all helps run this club. Don't have time to volunteer? That's ok... you help the club too! So when it comes down to it... Thanks everyone for being a member of this fantastic organization!

Shoot straight and be safe.  
Julie Wagoner, President

## From the Chief Range Officer

Welcome to a new year at the Beloit Rifle Club. The board of directors, all volunteers, are already working hard to make 2019 better than last year. I am looking forward to helping in any way that I can, feel free to contact me if you need something.

Safety is the primary concern for the club. Your responsibility is to read and follow your rule book. Besides following the rules, please be willing to question the actions of other members if you think there is a violation. The most important thing is to be polite asking questions and even more polite if you are being asked about your behavior. If you feel that you don't want to deal with an issue yourself. Please get a name, note the time and circumstances so the we can check on it. There are red violation forms in the foyer of the club house to fill out for serious violations. Let myself, Julie Wagoner or Bill Ruck know as soon possible for follow up. Thank you in advance for everything that you do to make the club safe. We will be having members doing random range surveys, checking for violations and damage. We also have a new system for making members accountable for violations. Look for information to be posted on the wall in the club house in the CRO spot.

We are happy to let members bring guests. Please sign them in and out, getting them a guest badge to wear while they are there. Return the badges when done. Spouses and kids should still be signed in and out and get badges if they are shooting. Adult children should pay a normal fee like any other guest.

Hope you have a great year at BRC.

## CMP

It has been a few years since CMP has added modern military to the As-Issued Military Matches. The question still does arise, what is legal?

We start by looking at the "CMP Games Rifle and Pistol Competition Rules". Downloadable copies are available at [www.thecmp.org](http://www.thecmp.org) – competitions – competition rules.

Starting with Rule 4.2 As Issued Military Rifles, is a general rule stating that rifles used in CMP matches must be original, no modifications. This rule states that items such as recoil pads and cheek pads are not allowed. If you are a veteran, this is like the rifle you qualified with.

The next applicable rule is 5.0 Special Military Match Rules. The rule covers military-type rifles that are available. Rule 5.2 Special Military Rifles includes Modern Military General Rules, covering appearance, trigger pull, sights, stocks and magazines. Rule 5.1.2 Scope of Rules (b) applies to Modern Military matches and the rules that apply which is Rule 5.2.3 and/or Rule 5.2.4.

Rule 5.2.3 governs U.S. Modern Sporting Rifles, Class A. This is an M-16 / AR chambered in .223 Remington or 5.56 NATO. Rule 5.2.4 Modern Military Rifles, Class B covers the M1-A, AK, and a few other foreign makes.

So, when you have a little time, explore the CMP website and familiarize yourself with the rules.

Check the CMP section on Beloit Rifle Club's website for match dates later in January.

## Silhouette

Our 2019 indoor winter .22 rifle and pistol Silhouette shooting season started on January 7st. Again this year we will shoot on Monday evenings. We end the indoor season on Monday, April 24th. We shoot paper silhouette targets on the indoor range. Come and join us any time between 5:00pm to 6:30pm or so. Bring more than one gun, if you would like to. This is a great chance to practice your offhand rifle and pistol shooting skills. Remember, these evenings are casual and intended to be a lot of fun. All members are urged to join us. Let's have some good participation again this year.

Also, don't forget about our annual "Frosty Iron Match", to be held on Saturday, January 19th, 2019. Check the Beloit Rifle Club web page for all the details. The 2018 event was a very nice warm pleasant day. The weather forecast right now says 36 degrees and sunny for the 19th. Let's hope for another beautiful day. Plan to come out in January and join in the fun!

The 2019 summer weekly outdoor Silhouette target-shooting season will start on Thursday, May 2nd. We will shoot a 40 round practice match every Thursday night at approximately 5:15. In addition, our 80 round monthly NRA sanctioned matches are scheduled on Saturdays again this year. The dates for these tournaments are May 18, June 22, July 20, Aug 24 [State Championship], and Sept 21. All members are encouraged to participate. Also, members can get in about six easy work hours if you come out and help for the day.

If you have any questions, call Steve Schmalz at 608-362-7172 for more details.

Be safe and have a great 2019!

5. After the rifle is properly adjusted to strike high at 100 yards, the shooter to be qualified must fire 4 shots at 500 meters; all shots must strike within a 20 inch square steel plate. More than 4 shots are allowed as needed.
6. Upon completion of the above orientation, the member's name and \$5.00 processing fee, will be forwarded to Jon Nortemann. A special "RED 500 Meter" badge, with the members name will be made for the member to wear. The member will also have his/her membership card signed to substitute for the badge until it arrives.

**THE 500 METER RANGE IS FOR QUALIFIED BRC MEMBERS ONLY! NO GUESTS!** We have over 200 members qualified.

Before members may use the shorter range target boards and steel targets, which co-exist on the 500 Meter Range, they **MUST BE QUALIFIED AT 500 METERS.** Guests are not allowed to use the shorter ranges on the 500 Meter Range at any time. **NOTE: ONLY QUALIFIED BRC MEMBERS ARE ALLOWED TO USE THE 500 METER RANGE, BENCH POSITIONS 13 THRU 18 REGARDLESS OF THE RANGES AT WHICH BACKSTOPS AND TARGET**

**BOARDS ARE INSTALLED ARE FOR QUALIFIED MEMBERS ONLY!**

I will be qualifying members to use the 500 meter range on any Wednesday morning that the 'Wednesday Morning Group' shoots, between 9:00 AM and noon. You may call the other 10 members to set up other times if needed. Also I will qualify members on those Saturdays that Center-Fire Matches are held, immediately after those matches.

If you are shooting a caliber that is damaging our steel targets and/or range facilities, PLEASE STOP. This club belongs to each BRC member and needs to be treated with respect. Normal wear and tear is expected but should not be accelerated. Thank-you.

## Remember:

1. No unintended discharge of a firearm.
2. No rounds to leave the range.
3. Wear your safety glasses.
4. ALL members, whether new this year or a 40 year plus veteran have a duty to see that our rules and procedures are followed. Politely remind each other if infractions are observed. We have a 'jewel' of a club. Please keep it that way. THANK YOU!
5. No 50 BMG's to be used on Club grounds at any time!
6. Always wear your Membership Badge.
