From the President

Hey Y'all!

Spring is almost here and the busy season for discipline shooting at the club is upon us!!! Hurray!! Make sure to always check the calendar

before you come out to make sure the range you are wanting to shoot at isn't booked.

We are working on putting an NRA Basic Pistol, Illinois Conceal Carry, Reloading and a Range Safety Officer Training classes together. (All separate classes:-) So be on the look out for that.

I would like to remind all of you to pull out your rule book and refresh your selves on range rules. (They are also on our website!) With member renewals happening in February it is just a good plan to fresh yourself. Especially if you don't frequent the range.

As you all know we will be having new members coming in March! Please make them feel welcome and help with out when needed. We will also be having Range Orientations that are mandatory for our new members but are always open and we encourage all members to attend to learn more about our ranges and disciplines.

Have a good spring and hopefully will see you out on the range!

From the Chief Range Officer

Welcome to the 2020 season. Good weather is right around the corner and many events have already been scheduled.

Do you or someone you know have a youngster that would like the Youth Sports Fest? That is one of my favorite events of the year. Information is on the web site.

We have discipline events starting as well, participate or just observe the many opportunities to try a new discipline.

Somethings never change and that includes safety at our range. The rule book tells you what you can and cannot do on the ranges. Questions can be answered by the discipline head named on your membership card. Remember, display your badge and get one for guests to use when you sign them in. Guests need to be signed in before they shoot at the club house, black powder lodge or the shed out back.

Safety concerns such as the unsafe use of the range should be brought to my attention. Information needs to include who, what, where and when in order for us to help with correction. If you are unable or reluctant to contact an offender, prompt notification helps us make corrections. Most of us have phones that will take pictures if necessary. We expect members to be civil to one another and thank the members that help keep the range safe.

If you damage something or see damage, please contact the discipline head or range construction. If it poses an immediate danger please try contacting someone until you are able to speak to someone in person. Deliberate damage is not tolerated but things do happen. The range construction committee does an amazing job of keeping the range is great shape.

Precision Pistol

Hello BRC members new and old,

It is time I wrote about our Pistol discipline. Primarily we concentrate on a shooting sport known as Precision Pistol or formerly called "Bullseye". Not all of us are Master or High Master shooters, but we try. To some of you, this may not be of any interest or you may have already tried it and just do not care for it. But here goes. To those who stay with me. We shoot off-hand and run a league indoor and outdoor. The guns we use are a .22, a center fire (.32 S&W, .38 special, 9mm and 45 ACP. We shoot a 3 gun league for our indoor and 2 guns for the outdoor leagues. Outdoor would be .22 and a center fire gun. This includes the .45 ACP. If you have an interest in what we do, please contact me. My number is on your membership card.

The pistol director, me, does not have control over how the indoor range is run. If you have questions about calibers, and the times the indoor range is open I can be contacted.

As an example the Pistol league has control of the indoor and outdoor ranges on Tuesday and Thursday evenings. The indoor range has league shoots on the 1st and 3rd Thursday of each month. Tuesday nights we practice. During our summer league we have matches every Tuesday night and practice on Thursday starting in June running into September. You can check our website calendar for the days and dates.

January 3, 2020 we cleaned out the lead from the indoor range. I would like to thank the members who helped, Wally Marshall, Brian Beebe, John Bunger, Tom Whiney, Mike Keating, Roy Rice, Ron Fieset, Kevin Herrick, Brad Weisensel, John Budzynski, and if you slipped out the door without signing the sheet—Thank you! Cleaning the indoor range is not the most pleasant job, but with the crew we had, it made the job go quite fast. Thanks to all!

I think that about wraps it up for me. Jon Kittleson

2020 NRA Day Program Youth Sports Fest – Registration Form

Host/Event Location:
Beloit Rifle Club
851 East Philhower Road
Beloit, Wisconsin 53512

<u>Date and Time</u>: Saturday, May 9, 2020 8:00am – 4:00pm Lunch is included!

In an increasingly urbanized world, young people are getting fewer chances to experience some of the shooting and outdoor activities we take for granted. Shooting gives young people the opportunity to participate in an exciting and challenging sport that may be enjoyed throughout their entire lifetime.

Shooting teaches responsibility and self-discipline while developing concentration skills and building self-esteem. Because shooting does not place emphasis on strength, endurance, speed, or gender; boys and girls of various sizes, ages, and physical abilities can participate together on a relatively equal basis.

The NRA Day Program - Youth Sports Fest was developed to introduce young people to our American history and heritage, and to the rewarding, lifelong sport of shooting! This program acquaints young people with a variety of shooting and outdoor activities in a festival-like event! It is a recreational, non-competitive event designed to offer youths a hands-on introduction to shooting by **Nationally Certified Instructors** and is a welcome opportunity for youths who might not otherwise get an opportunity to experience America's outdoor traditions.

Center-Fire Bench Rest & 100/500 Meter Range Complex

Center-Fire Bench Rest Matches for 2020 will be held on the following Saturdays beginning at 9:00AM and concluding by 12:00 PM. These matches are open to all BRC members. There will not be a fee for this season. Any Center-Fire or Rimfire Riffles are allowed.

May 2, 2020 July 18, 2020 May 16, 2020 Aug 1, 2020 May 30, 2020 Aug 15, 2020 June 6, 2020 Aug 29, 2020 June 20, 2020

All Matches will be held on the 100/500 Meter Range Complex, most are fired at 100 yards.

500 Meter Range

The 500 Meter Range consists of 18 shooting benches, the first 12 are for general use by all members and their guests. The benches are numbered 1 thru 18 from left to right.

BENCHES 13 THRU 18 ARE POSITIONED FOR USE OUT TO 500 METERS AND ARE ONLY TO BE USED BY THOSE BRC MEMBERS WHO HAVE GONE THROUGH THE QUALIFICATION PROCESS FOR THAT RANGE. NO GUEST IS ALLOWED TO USE THIS PORTION OF THE RANGE.

The following club members are authorized to qualify members on the 500 Meter Range:

Bruce Nygren: 815-978-9767 Bill Larson: 608-317-6919 Chuck Mongan: 815-721-3967 Norm Larson: 815-543-6882 Julie Wagoner: 815-742-1718 Bill Ruck: 608-364-0345 Kyle Schleim: 608-921-6520 Bill Powell: 608-931-1343 Everett Bennett: 815-389-3302 Paul Schuler: 815-519-2141

Wally Marshall: 608-332-9187

The qualification process is posted in the club house and on the bulletin board at the 500 meter range. That process is:

- 1. Shoot a 3 shot group a 100 yards to verify rifle zero.
- 2. Obtain bullet weight and velocity.
- 3. Calculate the necessary sight change to impact at 500 meters (547 yards).
- 4. Prove proper sight adjustment from calculations in step "3" by shooting another 3 shot group at 100 yards with the calculated adjustments made to your sights. The group should be 9 inches to 17 inches high depending on bullet speed and weight. 5. After the rifle is properly adjusted to strike high at 100 yards, the shooter to be qualified must fire 4 shots at 500 meters; all shots must strike within a 20 inch square steel plate. More than 4 shots are allowed as needed.
- 6. Upon completion of the above orientation, the member's

name and \$5.00 processing fee, will be forwarded to Jon Nortemann. A special "RED 500 Meter" badge, with the members name will be made for the member to wear. The member will also have his/her membership card signed to substitute for the badge until it arrives.

THE 500 METER RANGE IS FOR QUALIFIED BRC MEMBERS ONLY! NO GUESTS! We have over 250 members qualified. Before members may use the shorter range target boards, 200 meters, 300 meters and steel targets, which co-exist on the 500 Meter Range, they MUST BE QUALIFIED AT 500 METERS. Guests are not allowed to use the shorter ranges on the 500 Meter Range at any time. NOTE: ONLY QUALIFIED BRC MEMBERS ARE ALLOWED TO USE THE 500 METER RANGE, BENCH POSITIONS 13 THRU 18 REGARDLESS OF THE RANGES AT WHICH BACKSTOPS AND TARGET BOARDS ARE INSTALLED.

I will be qualifying members to use the 500 meter range on any Wednesday morning that the 'Wednesday Morning Group' shoots, between 9:00 AM and noon. You may call the other 10 members to set up other times if needed. Also I will qualify members on those Saturdays that Center-Fire Matches are held, immediately after those matches.

If you are shooting a caliber that is damaging our steel targets and/or range facilities, PLEASE STOP. This club belongs to each BRC member and needs to be treated with respect. Normal wear and tear is expected but should not be accelerated. Thank-you.

Remember:

- 1. No unintended discharge of a firearm.
- 2. No rounds to leave the range.
- 3. Wear your safety glasses and hearing protection
- 4. ALL members, whether new this year or a 40 year plus veteran have a duty to see that our rules and procedures are followed. Politely remind each other if infractions are observed. We have a 'jewel' of a club. Please keep it that way. THANK YOU!
- 5. No 50 BMG's to be used on Club grounds at any time!
- 6. Always wear your Membership Badge.

Silhouette

The 2020 winter .22 rifle and pistol indoor Silhouette shooting season started on January 6th, and it will end on Monday, April 27th. Again this year we are shooting on Monday evenings. We shoot paper silhouette targets on our indoor range. Come out and join us any time between 5:00pm to 6:30pm. Bring more than one gun, if you would like to. This is a great chance to practice your offhand rifle and pistol shooting skills. Remember, these evenings are casual and intended to be for fun. Everyone is urged to join us. Let's have some good participation again this year.

Our annual "Frosty Iron Challenge", was held on Saturday, January 18th, 2020. The information flyer for this match says, " Only a blizzard will cancel this event." We came so very close to doing just that. The weather was terrible. The temperature was 25 degrees, with 20 to 25 mile per hour winds, overcast, and 6" of snow the night before. Only two shooters came out to participate. Dennis Loertscher was the match winner in Standard Rifle (Heavy) Class, hitting 20 out of 40. Mike Koehler was the match winner in Hunter (Light) Class hitting 11 out of 40.

The 2020 summer outdoor Silhouette target shooting season will start on Thursday, May 4th. We will shoot a 40 round practice match every Thursday night starting at approximately 5:15. In addition, our 80 round monthly NRA sanctioned matches are scheduled on Saturdays again this year. The scheduled dates for these tournaments are May 23, June 27, July 18, Aug 22 [Wisconsin State Championship], and Sept 19. All shooters are encouraged to participate. Also, members can get in about six easy work hours if you come out and help set targets for the day.

If you have any questions, call Steve Schmalz at 608-362-7172 for more details.

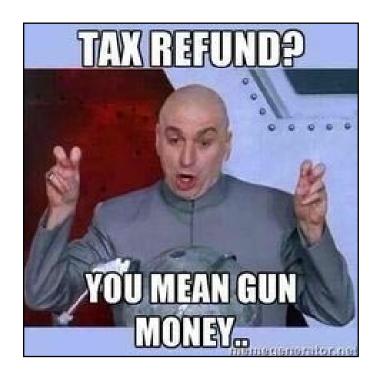

Be safe and have a great 2020!

Steve Schmalz Silhouette Director 608-362-7172
