From the Club President

Happy Fall Y'all!

Who else is ready for 2020 to be over? I sure am. While I hate to wish time away, this is just one of those times in life I'm ready for it to just be done. We are getting there though! As with everything else it has been a weird year for the club. We have all had to adapt and adjust. No board meetings at first, then we didn't have a quorum for two months, we have been meeting outside and starting at 6:00. Now we have new restrictions again that we are going to have to figure out for sight in days. Crazy times on so many levels.

Things always seem to slow down at the club for the fall as far as discipline shoots. Mostly because it is hunting season, but the one thing that keeps us busy this time of year and preparing for hunting season is our Sighting in Days. It is also a good money maker for the club. Please help share the information as much as you can, with what is going on in this world, I would imagine there will be many more

people hunting this year. I also believe there are still openings for getting your hours, sign-up sheet is in the club house on the wall. Please help us out if you can. Oh and don't forget to get your raffle tickets! They will be for sale in the club house during sight in days! Lots of hard to find firearms on there.

I want to wish you all a safe hunting season and remind everyone to know your target. It seems like we hear every year about a hunters dying because they were shot, the shooter thinking it was an animal because the brush was moving. So remember one of the golden rules of firearm safety- Know your target and what is beyond so everyone can come home safely.

One last thing, it 'tis the season for politics. Be sure to get out and vote. In person if you are able. As you know, if you are following, there is a lot on the line this year. It just seems to get more and more intense every year doesn't it. A lot of our rights are on the line and certainly our 2nd Amendment rights.

Let me be the 1st to wish you all of the following! Happy Halloween, Happy Thanksgiving, Merry Christmas and Happy New Year!

Stay safe and shoot straight,
Julie Wagoner, President

From the Chief Range Officer

2020 has been a very challenging year. Early on we had some disciplines and events cancelled or delayed. Probably the worst was cancelling the Youth Sports Fest. Here is hoping that the new year is better.

Want some good news? The number of members at the club that had guests, including spouses increased. Many members were able to use the outside facilities during quarantine. BRC started a new women's group with a large number of enthusiastic participants. There is a new archery competition started. The disciplines rallied and we still had a successful year. Thank you to the many volunteers who helped.

What can we expect to see? No one knows but we do know that interest in membership has increased. Think about inviting a friend to join the club. Take them shooting with a fellow member so that they can show potential sponsors that they are good candidates. Many people may have acquired a new firearm and need help familiarizing themselves with it. Be a resource and invite them to the range and help them be safe. If you need help with that, there are lots of volunteer members that we can draw on to help.

We did have violations as usual but for the most part members and guests were respectful of our club. You will note that some of the ranges will have some new rule changes and SOPs.

Here is to 2021 being a better year for the shooting sports.

Lee Thompson
Chief Range Officer

It is with great sadness to tell you all about the passing of **Wally Marshall, our Range Construction Director.**

He was a great man. His commitment and passion for the BRC was evident in all he did. Please keep his family in your prayers.

Youth/NRA Instruction

Hi Everyone,

I am sorry to tell you that I need to step down from my Board position at the end of my term. Between my work schedule and my CCW classes, I just don't have the time to make the Wednesday meetings. If you want me to still do the Youth Shoot and Women on Target events, I will be happy to direct them. That decision will be for the next director to decide.

I have talked with my Assistant Director, Robbie Personette and he is willing to step up for the position. I am giving him my endorsement for this position. Robbie is a solid instructor that will be a great replacement.

Thanks to everyone for your support this last 12 years (I think!). I have enjoyed being a small part of this awesome board.

Pistol

Hello BRC members!

Fall has arrived as you are looking over the newsletter. Looks like the Sight-in Days calendar is pretty well filled up with volunteers. Way to go members!

Our summer pistol league had a very good turnout considering the circumstances we have all faced this year. We had an average of 15 shooters for each match. This year we extended the outdoor season until the end of September, which turned out just fine. The weather only affected one match.

We are now going indoors. We have a meeting on Thursday the October 22 at 4pm at the club house. This will be a meeting for how we are going to handle the winter league. We are not going to shoot the Border League this year but will concentrate on improving scoring someone else's targets and how to call the matches. This will also be an awards night for the winners of the summer league. (Congratulation to the winners). I had cancelled the banquet do to some of the shooters canceling. I am listing the winners below so if you do not want to spoil the surprise for Thursday the 22 stop reading the article. Assuming the newsletter is out before Thursday.

As usual our league will shoot each Tuesday and Thursday anywhere from 3-5pm. If you are interested in joining us you can reach me through the number on your membership card or stop by the club house on those nights.

Have a great fall,
John Kittleson

P.S Do not forget to vote for your Second Amendment Right on November 3rd.

Safe and Accurate Shooting

Every barrel and action is a law unto itself. No two are alike!!

Silhouette

The 2020 outdoor summer .22 rifle Smallbore Silhouette shooting season ended on Thursday, September 24th. Attendance was good again this year, considering the COVID-19 pandemic situation. We had 5 to 8 shooters every evening. We had some new shooters this year, too. A few of these new shooters are also members of the Beloit Rifle Club's youth shooting program, The Rattlers Air Rifle Team. Everyone that came out to shoot this year had a great time.

Again this year, the Beloit Rifle Club hosted the Wisconsin State Smallbore Silhouette Championships, which was held on Saturday August 22nd. Beloit Rifle Club members did very well again this year. Club member Tim Jaedike won two State Championships for the fourth year in a row. He is the State Champion in Hunter (Light) Class, hitting 61 out of 80. He also won the State Championship in the Standard (Heavy) Class, hitting 59 out of 80. Club member Dennis Loertscher is the Senior State Champion for the third year in a row, hitting 47 out of 80. In her first year of shooting, Rattlers Air Rifle Team member Savana Estvander is the 2020 Junior State Champion, hitting 14 out of 80. Great shooting, everyone!

Our final 80 round monthly Saturday match of the 2020 season was held on Saturday, September 19th. Craig Stevens was the winner in the Standard Rifle (Heavy) Class, hitting 55 out of 80. Craig was also the match winner in the Hunter Rifle (Light) Class hitting 42 out of 80.

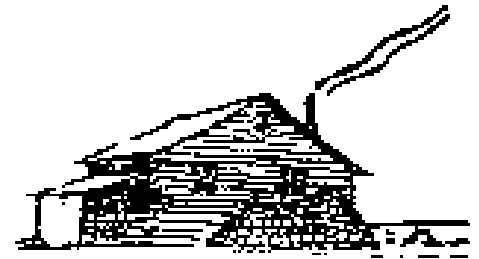

Thanks to all of you that gave your time and energy to make our 2020 season a success. Thank you to everyone that covered for me this summer while I had my hip replaced. I need to thank everyone that came out to shoot with us. Thank you to the volunteers at the state Championship and the monthly Saturday matches. Thank you to the grounds crew and the people that work to keeping the

sand berms free of grass and weeds. We have a first class, high quality Silhouette shooting range. Plan to come out next summer and enjoy it with us.

Depending on the COVID-19 pandemic situation, the 2021 indoor winter .22 rifle and pistol Silhouette shooting season is scheduled to begin on Monday, January 4th, and it will end on Monday, April 26th. We will follow CDC, State, and Beloit Rifle Club pandemic policies in effect at that time. We shoot paper silhouette targets on the indoor range. Come out and join us any time between 5:00pm to 6:30pm or so. Bring more than one gun, if you want to. This is a great chance to practice your offhand rifle and pistol shooting skills. Remember, these evenings are informal and meant to be low pressure fun. Finally, don't forget our annual "Frosty Iron Match", scheduled on Saturday, January 23rd, 2021. Check the Beloit Rifle Club web page for further details. Plan to come out for the day and join the fun!

Be safe and have a great 2020!
