From the Club President

Hello BRC Members!

Hope you are all having a good summer! Things are pretty quiet at the club currently. Good change of pace! We have the Youth Sports Fest coming up in September, so really excited to see that event back in our calendar. Robby, Brad and the team are doing a great job getting it all organized. Please help out and spread the word so we can reach as many as possible.

Gonna keep it short this quarter. Hope you can get out and shoot to keep your skills up. Also to enjoy the beautiful facility that we have.

Shoot straight and keep safe, Julie Wagoner, President

From the Chief Range Officer

Things seem to be running well as usual. The discipline heads do an excellent job of organizing and running their events. These people volunteer thousands of hours each year to make our organization excellent. If you have a question about a specific discipline, look at your membership card for the director and contact him or her. If you have a friend that wants to join, it is not too early to start the process, look for additional sponsor(s) etc. We appreciate members being proactive about safety and rule violations. Here are some guidelines for dealing with violations. Serious violations should be recorded on a Violation Report. This red form is available in the club house.

1. Be polite and respectful.
2. Get pertinent information. Who, what where and when. It is far easier to work on a problem when we have the above information. If you are unwilling to make personal contact, take pictures or record specific information. Often a conversation is sufficient to solve minor problems
3. Contact the Chief Range Officer or a member of the executive board in a timely manner.
4. Know the rules yourself and follow them.

Some serious violations can result in the loss of club membership but we would prefer members follow the common sense safety rules.

Looking forward to seeing many of you at the range. Let me know if I can assist you in any way.

Safe and Accurate Shooting

Black Powder News

Wisconsin Sergeant York Report

The WI Sergeant York Shoot was held Saturday, June 26, 2021 on the Black Powder Lodge Range. It was a rainy day. The rain stopped about mid day and we then had high humidity for the rest of the shoot.

We had eleven register to shoot, plus some spectators to watch what was going on. We had a couple of new faces join us, one moved to Wisconsin from Ohio and had shot in Chunk Gun matches before. The other new face shot on our range years ago, but this was his first Chunk Gun Match. Everyone seemed to have a good time, but was glad to get the shoot over, and get somewhere where it was cool! The shooters shot for various prizes, from framed certificates to gold dollars, powder, round balls, cheese and bottled syrup. The 1st place winner received an antique collector plate, made in England 47 years ago. The value unknown!

In a Wisconsin sanctioned Chunk Gun match five places are paid out, plus the Sweetest Shot or the Best Shot of the sheet. The Sweetest Shot winner received a bottle of pure Maple syrup from Gosda's Back Forty Sappers in Comstock, WI and was won by Dan Bredberg from Carbon Cliff, Illinois, with a score of .040 thousand's of an inch from the center of the X on the target.

The five places are as follows, plus their scores and the state from which they are from.

1st Place: Howard Meier 6.956 inches - Rockford, Illinois

2nd Place: Will Elliott 7.419 inches - Ohio, Wisconsin

3rd Place: Jim Meili 8.363 inches - McFarland, Wisconsin

4th Place: Dan Bredberg 8.809 inches - Carbon Cliff, Illinois

5th Place: Larry Rackow 10.129 inches - Janesville, Wisconsin

The Beloit Rifle Club Inc./Black Powder Lodge sent \$216.00 to Deborah York of the Sergeant York Foundation.

Silhouette

The 2021 winter indoor .22 rifle and pistol Silhouette target shooting season ended on Monday April 26th. We had good participation again this year. Brendon Leach had the most improved average with a rifle, increasing his score by 1.436 points over the season. Brendon was also most improved with the pistol, with a 2.641 point increase. Dennis Loertscher hit five in a row five times with his light rifle and three times with his heavy rifle. Brendon hit 5 in a row once with his pistol. Thank you and congratulations to everyone that participated this season. I would like to thank Dennis Loertscher for opening and closing the range, being our statistician, and keeping track of scores and averages again this year.

The 2021 weekly outdoor Silhouette target shooting season started on Thursday, May 6th and continues until Thursday, September 30th. We shoot a 40 round match every Thursday night, starting at around 5:15ish. We are usually done shooting rifles by 6:30. Everyone is encouraged to participate. We generally have 6 to 10 shooters each week. Bring your .22 rifle with Standard or High Velocity ammunition. You don't have to be a great shot. Come out and have some fun. You are all welcome to join us!

Our first 80 round monthly match for 2021 was held on Saturday, May 22nd. It was a beautiful sunny day. There were 10 competitors. Craig Stevens was the match winner in Standard (Heavy) Class hitting 45 out of 80. Craig was also the match winner in Hunter (Light) Class hitting 54 out of 80.

Our second 80 round monthly match was held on Saturday, June 26th. The weather was windy and raining. This match had only 5 competitors. Craig Stevens was the big winner again this weekend. Craig was the match winner in Standard (Heavy) Class hitting 54 out of 80. He was also the match winner in Hunter (Light) Class hitting 48 out of 80. Congratulations Craig, you are having a great season!

Future monthly Saturday matches are scheduled for July 24, Aug 21 [State Championship], and Sept 18. Again, you are encouraged to come out and join in the fun. Also, members, you can get in about six easy work hours if you come out and help set targets for the day. Any questions, contact Steve Schmalz at 608-362-7172.

Have a safe 2021!

From the BRC Historian “Back The Badge”

When I see those signs in people's yards, Back the Badge, I think of my son, Christopher, who is a Lieutenant on the Sheriff Department in Henery County, Georgia. I recently sent him a plaque that hangs on his wall that states, “Not all men are created equal, only the finest become policemen.” I know he backs the badge! And I am very proud of him for what he does.

When I joined the Beloit Rifle Club in 1977, the membership was closed at 150. You then were put on a waiting list and when and if someone left the club you could join. The club was building the indoor range at the time and they would hold work days Tuesdays and Thursdays from 6:00 p.m. - 9:00 p.m. I actually started at the club in 1976 at these work days but I had to wait until 1977 to come into the club. Bill Wentland was President of the club and I had to go to his house to be interviewed. Cliff Grimm sponsored me and you only needed one at that time. You also did not need work hours to renew your dues.

So in 1977 when I became a member I received my 1st badge and thus I started to back the badge. I didn't know or think of it at the time, but that's what I was doing, backing that badge.

When you wear a badge, no matter what kind, for what reason, you should be prepared to back that badge. When you wear a club's badge be proud of that club. It's badge is a reflection of what kind of person you are, and a statement you are trying to make or have made.

At the Beloit Rifle Club's first gun show in the early 1980's I bought a box from one of the members selling things and in the box was several Beloit Rifle Club Badges. The years ranging 1957 thru 1966. The 1957 badge is quite different from the rest. The 1958 thru 1960 are larger than the 1957 badge. But then the 1961 thru 1964 are smaller. The 1965 badge was missing. Then in 1966 we go back to the bigger badge. If you notice the members name is on it such as the badges issued now. My badge issued in 1977 is similar to the one issued in 1966, but if you notice mine contains NRA affiliated. I do not know when the club became a 100% NRA club.

Also, my badge does not have the year it was issued. But the year you joined is stated on your membership card. Mine is anyway, I know Jon Nortemann keeps that in his records.

Maybe years ago when you renewed your dues you received a new badge each year? Good?

I talked to Jon Nortemann, the membership chairperson, thinking he made the badges for he new members, but he said he doesn't. Jon said he joined the club in 1973 and he couldn't remember the members' name who was making them then. Rick Babcock started making the badges about 3 years ago, prior to then Tom Jenkins made badges. Hats off to Rick Babcock, because we have over eleven hundred members and more coming in each year. We also issue a badge for about everything that goes on at the club. Let me list a few that I know of.

The GREEN badge is for beginning or probationary members. A two year badge! Prior to a white one. The WHITE badge is for regular members. The ORANGE badge is for board members. The RED badge is for the member who qualified on the 500 meters range. The BLUE badge is for the cowboy action and black powder pistol certification. You need this in order to practice on any range with a black powder revolver. Check the club's rule book. The PINK badges are for guests and must be returned when the guest leaves. The YELLOW or GOLD badges are for life members. Those badges are issued to members who have met certain obligations and who have gone above and beyond what is expected from a regular member. But: No matter what badge or what color of badge you choose to wear, wear it with pride, and be prepared to **BACK THAT BADGE!**

Most Sincerely,
Limb Bacon - Harley Whitt, Historian/Black Powder Lodge

2021 Brownells/NRA Day Program Youth Sports Fest – Registration Form

In an increasingly urbanized world, young people are getting fewer chances to experience some of the shooting and outdoor activities we take for granted. Shooting gives young people the opportunity to participate in an exciting and challenging sport that may be enjoyed throughout their entire lifetime.

Shooting teaches responsibility and self-discipline while developing concentration skills and building self-esteem.

Because shooting does not place emphasis on strength, endurance, speed, or gender; boys and girls of various sizes, ages, and physical abilities can participate together on a relatively equal basis.

The Brownells/NRA Day Program - Youth Sports Fest was developed to introduce young people to our American history and heritage, and to the rewarding, lifelong sport of shooting! This program acquaints young people with a variety of shooting and outdoor activities in a festival-like event! It is a recreational, non-competitive event designed to offer youths a hands-on introduction to shooting by **Nationally Certified Instructors** and is a welcome opportunity for youths who might not otherwise get an opportunity to experience America's outdoor traditions.

Events include:
